Microsoft

Introducing

Windows 11

Introducing
Windows 11 for business

Powerful for employees.
Consistent for IT.
Secure for all.

Windows 11 is designed for hybrid work

The most productive and secure version of Windows yet — but simple for IT.

Instantly productive

Reduce employee cognitive load with a simplified and streamlined UI. Stay organized easily with snap layouts and snap groups.[1]

Smarter collaboration

Deeper Teams integration enables more effectiveonline meetings.[2] Share, mute, and unmute right from the taskbar.[1]

Consistent for IT

Migrate with confidence using familiar IT tools with guaranteed application compatibility backed by App Assure.[3]

The most secure Windows yet

A Zero Trust-ready OS with powerful built-in security, including hardware-based isolation,encryption, and malware protection.[1]
